

MONDAY Sept-Dec 2017

Lindow Photographic Group

10 years of being inspired to be creative

Fox Talbot. Monday classes

18th & 25th Sept. 11 years of the LPG, what now! 

Photography is ever changing whether it is the technology or the zeitgeist of the time. Do we embrace an ever changing art world or stick to what we know?

2nd & 9th Oct. Concepts. Is it really photography? 

One of the major aspects of the LPG is to encourage the continual development of members photography, whether technical or artistic. Conceptual work can be the marmite of photographers and this session will look at the reasoning behind this genre.

16th Oct Group 1 Tin Foil bokeh

Using just silver foil this technique creates stunning backgrounds to your Photographs

21st October Open eye gallery visit.

HALF TERM

30th Oct Group 2 Tin Foil bokeh
