

TUESDAY Sept-Dec 2017

Lindow Photographic Group

10 years of being inspired to be creative

Tuesday classes

19th Sept . 11 years of the LPG, what now!

Photography is ever changing whether it is the technology or the zeitgeist of the time. Do we embrace an ever changing art world or stick to what we know?

26th Sept. Conceptual Art. Is it really photography?

One of the major aspects of the LPG is to encourage the continual development of members photography, whether technical or artistic. Conceptual work can be the marmite of photographers and this session will look at the reasoning behind this genre.

3rd Oct Group Tin Foil bokeh

Using just silver foil this technique creates stunning backgrounds to your Photography.

10th Oct. Esther Clark MA.

Esther will talk about her two year journey to achieve her masters in photography.

17th Oct. Your image review

A chance to have a constructive critical breakdown of your best work. Submit up to two of your photographs by 11th October and I will give a full professional breakdown of the images.

Submission of Toast image

21st October Open eye gallery visit.
